Article 17.9 Refuel operation

In addition to refuel operation stated in regulations.

A segregated area will be provided at Builtth Wells showground on Friday and Saturday for self-refuel.

This will be the only location self-refuel can take place other than using commercially available fuel dispensed directly from pumps at a filling station.

Self-refuel will only be available once during the event on Saturday prior to service.

You will require enough fuel to complete 23.16 stage miles and 79 road miles.
