A SAFETY MESSAGE

The safety of everyone that is involved with, participates in or spectates at the rally is our top priority, and so we ask that you read the following and keep it in mind on this and any other rally you may attend.

Please listen to the marshals they are there for your safety and want to ensure that we run the safest rally possible. If they ask you to move or inform you that you are standing in an unsafe place, please follow their instructions.

Spectators who are asked to move but refuse to do so are putting their own safety and that of others at risk. Where this happens the rally marshal has authority to notify the stage commander, who will take appropriate action, which may include stopping the stage or the stage being cancelled.

Rally cars can do the unexpected so, for your own safety and that of others, please:

- **Observe the colour coded tape and all signage.**
Red and White means **PROHIBITED AREA**, so a no-go location for everyone.
Black and Yellow define the designated spectator areas
- **Use the natural environment to protect yourself**
- **Don't walk on the rally stage**
- **Stay standing and remain alert**
- **Remember that alcohol and drugs can impair your responses and threaten your safety**
- **Please ensure you take your litter home with you - our continued use of the forests and landowners property depends on your cooperation.**

SPECTATE SAFELY!

- **Be alert!** Always expect the unexpected.
- Stay at the designated spectator areas.
- Remember that in an accident anything can happen.
- Always follow the instructions of the marshals.

**YOUR SAFETY
YOUR LIFE**
